

## Just Transition

Conference organised by the Delegation DIE LINKE. in the European Parliament and the Rosa-Luxemburg-Stiftung Brussels, in cooperation with Transform!

18/04/2017

A socially just energy transition can only be achieved together. To form this common ground, to exchange different experiences and to hold strategic discussions, it was for these reasons that representatives of European trade union federations, NGOs, think tanks, the climate movement, the scientific sector, and politicians of different levels met at the invitation of the GUE/NGL Group in the European Parliament, the Rosa Luxembourg Foundation Brussels Office, and Transform Europe, on 5 December 2016 in Brussels for the **conference "Just Transition"**.
